

MBA

Andragogy and Education Management

Modules of the specialization:

Management
Strategic Management
Financial Management
Marketing and Public Relations
HR Management
Philosophy of Adult Education
Andragogy
Knowledge Management
Optional Module (1)
Optional Module (2)

MBA Andragogy and Education Management will prepare students for a wide application in management and educational work within human resources. In practical modules, students will develop their managerial abilities and skills with an emphasis on working within human resources, increase their qualifications and competencies and learn specific procedures in adult education and management (colleagues, employees, etc.).

Part of the program focuses on the Knowledge management - use of knowledge in decision-making and management processes supported by information and communication technologies.

This is particularly suitable for executives, corporate training specialists, government employees, personnel officers and all others who want to improve their managerial skills working within human resources.

The MBA Andragogy and Education Management includes the following beyond the basic and optional modules: Philosophy of Adult Education, Andragogy and Knowledge Management.
