

# MBA Insurance

## Modules of the specialization:

Management  
Strategic Management  
Financial Management  
Marketing and Public Relations  
HR Management  
Insurance Industry  
Insurance Law  
Risk Management in Insurance  
Companies  
Optional Module (1)  
Optional Module (2)

**The MBA Insurance** covers comprehensive management of issues in this specific area, including current legislation. Students will deepen their existing knowledge in the field and through the educational modules will learn about the characteristics, development of and types of insurance. During their studies they will acquire a range of knowledge and skills that can be used immediately in practice. Attention will be focused on closing insurance contracts, claims management, risk management, but also on active client approaches in insurance and customer care. Thus, will be perfectly oriented in this field.

This is intended primarily for insurance employees, insurance supervisors, insurance intermediaries, but also other employees whose professional career is related to insurance.

**The MBA Insurance** includes the following beyond the basic and optional modules: Insurance Industry, Insurance Law and Risk Management in Insurance Companies.
