Conditions of admission

The prerequisite for admission to the MBA program is a completed university education at least at the bachelor's level, or professional education in the BBA program. However, the applicant may be granted an exception if he can prove his managerial experience.

Start of teaching

Course can be started at any time throughout the year. There is no need to wait for the start of your studies or to worry that your chosen program will not open. You can choose any specialization at ESBM and start studying at any time.

Form of study

To improve the quality of MBA teaching, ESBM uses a combination of online study with the Oxford tutoring model. This type is peculiar mainly to foreign universities and differs from Czech academic studies mainly in its practical focus.

Course of study

MBA studies in Czech last a year and are conducted online in combination with interactive workshops. MBA studies in English take place only online and last 1 year. Both studies are divided into 3 blocks, and each block is further divided into individual modules, which are led by professional lecturers. The output for each block is seminar papers or case studies. The study is concluded with the preparation of the final thesis and its defense. After meeting all the requirements, the graduate will receive the professional title of MBA, which is listed after the name.

1st BLOCK -
BASIC

5 MODULES

The course of the 1st block is identical for all students. Study in Czech contains 5 basic modules - Management, Strategic Management, Financial Management, Marketing and PR and Human Resource Management. Study in English contains 5 basic modules - Management, Business Financial Management and Investment Decisions, Strategic Management, Project Management and Planning a Human Resource Management.

2nd BLOCK -
SPECIALIZED

3 MODULES

In the 2nd block, each student chooses one of the specializations on offer. Each specialization contains 3 modules.

3rd BLOCK -
OPTIONAL

2 MODULES

In the 3rd block, each student again chooses two from a wide range of optional modules.

FINAL THESES

DEFENSE

The study is concluded with the preparation of the final thesis and its defense.
