European School of Business & Management

BBA Real Estate

Modules of the specialization:

Management Theory and Practice

Personnel Management in Organisation

Fundamentals of Financial Management

Introduction to Real Estate

Real Estate Cadastre Register and Legal Aspects of Real Estate

Real Estate Valuation

Real Estate Market Analysis

The BBA Real Estate specialization will offer students a comprehensive overview of the workings of the real estate market. Students will gain essential information on the procedures involved in the real estate business from the very beginning, even considering that not all brokers have a professional background. Based on real-life examples, they will gain beneficial knowledge not only on real estate valuation, but also an overview of the legal aspects in real estate as well as information regarding real estate market analysis.

The BBA Real Estate specialisation includes the following modules beyond the core block: Introduction to Real Estate, eal Estate Cadastre and Legal Aspects of Real Estate, Real Estate Valuation, Real Estate Market Analysis.
